EDITOR'S LETTER

Well, if the flood of letters we've received about last month's centrespread featuring twins Preeti and Priya are anything to go by, they went down rather well (God, there's a thought!) – and we reckon we've lined up another corker for the centrespread for you this month in the shape of Mayfair debutante Jada Cameo! And, as if that weren't enough, scrummy faves like TJ, Emma Green and Jenny Laird all put in stunning turns as well. Really, sometimes I think we spoil you lot!

GRUBBY TALE!

Dear *Mayfair*,
I've worked as a mechanic in the same garage for the last nine years. It's a small business with only three employees, including myself, and we all get on famously. Mike, the boss, is more like a mate, always playing pranks and having a laugh with us. Because of this close relationship (and the length of time I've been here) Mike trusts me to open and close up shop if he's not around and occasionally, if it's a particularly quiet day, I'll find myself working solo.

It was on one of these days last month that I was holding the fort, as there were only two jobs booked in for the afternoon – and easy ones at that. The first was a bloke who needed his tyres balancing, then I had an hour to fill before a woman was due to bring her car in for an interim service.

Around 45 minutes later, I was sweeping the floor when a car pulled in and she stepped out: tall and blonde, with the most perfect rack I'd seen, this woman was seriously hot and I couldn't help but gawp at her for a moment. From the way she was dressed – short skirt, crop top with no bra underneath – and the amount of make-up she had on, she was either a stripper or

> I ENCOURAGED HER TO WANK ME SLOWLY, AND SHE DID…

super-confident!

Snapping myself out of it, I greeted her and immediately began talking her through what I was to do to her vehicle. It was hard to concentrate on the job in hand, however, when she kept making intense eye contact, touching my arm and flirting outrageously. I wasn't sure if she was actually coming on to me or if this was just the way she was so tried to play it cool, but my dick had other ideas and I felt him stir.

Mildly embarrassed at my own bodily functions, I told her that it should only take an hour and a half, or so, and if she'd like to leave it with me, I'd have it ready for her return. I expected her to disappear then, but she smiled sexily and, taking a seat, said she'd wait. Unsure of myself now, I opened the bonnet and began checking the oil, chattering away like an idiot.

I'd only been checking the motor for a matter of minutes, when she got up and, taking me completely by surprise, slipped her hands around my waist as I leant over the car. Jolting upright and turning to face her, still in her grasp, I went to say something but she shushed me and planted her lips on mine.

Instinctively I kissed her back, my tongue pushing its way between her soft lips and explored her mouth. Her hands were wandering all over me now, caressing my torso before moving to squeeze my butt cheeks. My cock was rock hard by now and her delicate hands rubbed it through the thick material of my boiler suit.

Not wanting to get engine grease on her clothes, I restrained myself from groping her back, instead wriggling free from her grasp and going to pull the shutter down to give us some privacy. While I had my back turned, Morgan (as her name turned out to be!) wasted no time and stripped down to her knickers, showing off a ridiculously fit body! I eagerly hurried back and snogged her passionately, pleased when she took my hands and placed them on her white

AUGUST'S GLOOP!

Dear *Mayfair*,
I've always maintained that *Mayfair* is a magazine ahead of its time. Over the years you've always uncovered new ways to bring us the sexiest girls from Britain and all over the world, leaving your competitors floundering in your wake *(Mum, is that you? – Ed.)*. But I didn't realize you were literally ahead of the time as well until I opened your May issue and cast my eyes on the delectable August! Don't get me wrong, because I'm not complaining that you gave us an early taste (and I'd really love to taste August!) of high summer.

With her all-over tan, red hot outfit and incredible figure, August had me rising faster than the mercury in the thermometer on the hottest day of the year. In fact she rather put me in mind of the slip, slop ,slap advice for hot weather. I can't actually recall what the slip and slap are, but I'd happily slop cream all over August's sensational tits – a big dollop of thick, white factor 50 should do the trick nicely – and then rub it slowly into her glorious orbs.

Any chance of another set of August – maybe in the August edition itself?

Best regards, and keep up the good work!

Martyn, Isle of Wight.

Thanks Martyn – yes, we neatly failed to get August to coincide with the correct month when we featured her last year as well – The Ed.

TWIN/TWIN SITUATION!

Dear *Mayfair*,
Wow! Like a great many of your other readers, I suspect, I was totally blown away by the set of pictures of the more than appropriately-named Preeti and her – obviously – equally gorgeous twin sister Priya! What an unadulterated treat to see two such stunning babes posing together for our delectation, their sexy faces alluringly similar yet different, while their curves, bums and pussies matched to perfection. I don't know if any guy's ever had the pleasure of sharing these girls' bed, but if he had, he's got to be one of the most enviable men in history! The picture of them on page 46, when they're both presenting their perfectly-rounded rumps to the camera, justified the cost of the magazine on its own, and combined with all the other pictures of the girls – not to mention all the other stunning babes in the issue – marks out *Mayfair* 51.05 as one of my all time most treasured issues! Please give my regards to the twins themselves – they more than deserve all the acclaim you rightly heaped upon them!
Jerry, Sunderland.

orbs, leaving oily handprints on them! After copping a good feel, I closed the car bonnet and lifted her up so she was perched on the edge of it, positioning myself between her legs.

Tugging my overalls down and my T-shirt off, Morgan ran her hands over my bare torso before shoving them down my pants. Gasping as she grabbed my penis in her warm hand, I encouraged her to wank me slowly and she did, looking deep into my eyes all the while – which is possibly the horniest thing that's ever happened to me. It wasn't long before lust took over and I wanted, no needed, to be inside this gorgeous creature.

Shrugging my boiler suit off completely, I grabbed Morgan's boobs again and pushed her legs apart with my pelvis until my naked cock was rubbing up against her hairless snatch. As I took her nipple in my mouth and sucked it roughly, I noticed she was breathing heavily, her hands grabbing my arse and pulling me forward roughly as she begged me to fuck her.

"I WAS STILL HARD, BUT IT FELT LIKE MY TOOL WAS SWELLING UP EVEN MORE AGAINST HER TONGUE."

Happily obliging, I found her pussy hole with my throbbing helmet and pushed my way deep into her tight passage, hard. We let out a groan simultaneously as I sunk in to the hilt and filled her cunt entirely, pawing each other as we ate each other's face off. I held her hips still as I thrust in and out, pounding away at her fanny like a man possessed. I knew she was coming when she started shaking and squealing, her vag muscles contracting around my sawing prick as her cheeks reddened.

As she came down from her orgasm, she pushed me away from her and for a split second, I thought that that was it, but instead she spread my discarded overalls on the concrete floor and told me to lie on my back. I did as instructed and was glad I had when she knelt down and took my cock in her mouth. I was still hard, but it felt like my tool was swelling up even more against her tongue. After a few teasing minutes she straddled me and sat down heavily on my cock, gyrating around enthusiastically, her ample norks almost hypnotizing me as they swayed rhythmically. I suddenly had the urge to be smothered by those big, fleshy mounds and sat up, burying my face between them. Morgan, while continuing to grind on my knob, held the back of my head to her cleavage and I was almost having trouble breathing – but that seemed to send me over the edge and I couldn't hold back. I rammed upwards into her cunt, emptying my sack as I filled her with hot, creamy jizz.

Because it was late by the time we'd cleaned ourselves up, I told Morgan I'd do her car overnight and would pay for her to get a cab. Bossily, she informed me that she would wait while I serviced her car and would then drive me back to mine so I could service her again! Who was I to argue?
Scott, Ilfracombe.

STRAWBERRIES AND CREAM!

Dear *Mayfair*,
I've been going out with Helen for a couple of months now, and she's already proven herself very liberal when it comes to sex – for example when one night I pitched up at her flat one evening for a quiet night in. I was surprised when she opened the door dressed only in a flimsy and provocative baby doll night dress. It looked like our night in wasn't going to be quite as quiet as I'd figured!

I looked at her in awe, but she wasted

Good things are, as we all know, worth waiting for, so if it's been rather too long since we last got to hook up with the delectable Tommie Jo, well it only makes her return now all the more welcome! To make her overdue return even more of a red letter day, she brought her favourite sussies with her for the shoot, especially at the request of the gentleman friend who bought them for her. All we can say is he's got very good taste... the jammy git!

Continued from page 5

no time, pulling me inside and greeting me by giving me a kiss full on the lips. I hesitated for a fraction of a second before drawing on her pointed little tongue and sucking it hard as she flicked it inside my mouth in a sensuous French kiss. With her arms firmly around my neck she drew her long legs up around my waist, wrapping them around me with her feet crossed against the small of my back, grinding her mound down against my erection.

Reaching under her to cup her buttocks and support some of her weight, I could feel the delicate lace edges of her panties through the flimsy fabric of her dress. I carried her inside, her weight shifting on my hands as I moved my fingertips into the crevice between her buttocks. The tell-tale dampness from her hot little cunt exuded a musky scent.

As our lips unlocked her body relaxed and gracefully as a cat she lowered her feet to the floor. She looked me full in the eye and ran a fingernail down the front of my shirt, scraping the fabric against my skin. Slowly she opened my shirt front and began to lick and chew on my nipples (something I'd never actually experienced before) until she drove me almost crazy.

My cock tent-poled my trouser front as she pulled away and asked me to follow her. I hung back, watching her sexy figure as she walked along the hall, the hem of her sexy translucent dress allowing fleeting glimpses her lacy hold-up stocking tops. She took me to the living room where she had wine poured and dishes of strawberries and cream. I smiled thinking of some great places I would like to dip those berries but shook my head to clear my mind and try to keep a hold on reality.

But Helen, as I well knew, was not ruled by niceties – especially, it seemed, when she was in a heightened state of arousal. She tossed a heap of scatter cushions off the sofa and leaning forward and unzipped my flies, released my throbbing cock. It stood perfectly erect, its pale purple helmet glazed with droplets of pre-come. Sitting back on her heels, she looked up into my eyes and, in a voice husky with arousal, announced that she was going to give me the best blow-job I'd ever had. And I didn't doubt her for one second! She leaned her head back and parted her soft pink lips.

Without delay I stood up and, dropping my trousers, fed my rock-hard cock inside her warm, wet, waiting mouth. Her hands clasped my arse-cheeks, her long nails digging into my flesh as she sucked hard on my twitching cock. With her blonde hair swinging, she gave me the most delectable, measured, fellatio imaginable. It was superb, but just as the seed welled in my balls she raised her head from my cock and said saucily she intended to "keep the cream for dessert".

I had been so close to coming that my balls ached and I looked longingly at the string of mixed pre-come and spit that stretched from her lower lip to my engorged helmet.

"Your turn," she murmured. And with that, she stood up and removed her dress, casting it aside as though it were a rag.

Tugging her lace panties down her legs and over her feet, she lay back on the sofa and reached for a dish of strawberries. I was grinning like a Cheshire cat, my cock twitching as I wondered she was going to do with them.

Helen took a plump strawberry and bit into it, licking her lips as the juice trickled out the sides of her lips. I knelt beside her and she fed me the other half from between her lips. She's definitely the most sexual girl I've ever been with, and when I lifted her skirt up I marvelled (not for the first time) at the wonderful sight of her gorgeous blonde pussy.

Parting her legs wide, I spooned some cream into the glistening pink aperture between her swollen labia. She moaned with pleasure as the cool cream set her natural juices flowing and as I watched her caress her clit, I cut up some strawberries and arranged them in the cream. Helen smiled and asked me to feed her some, so I scooped a piece of fruit up and, after rubbing it in a mixture of cream and her juices, I fed it to her. Then, holding her pussy petals apart with her fingers, she asked me if I was going to have some too.

It was the ultimate culinary experience, a pleasure to stimulate all the senses. Visually perfect, her downy blonde curls framed her parted, rose-tinted labia, displaying the luscious cream with the tiny pieces of bright red fruit. The whole thing was mouth watering and I buried my face in her crotch. The soft wisps from her mound tickled my nostrils and the taste was simply delicious. There are simply no words which could do justice to the sticky sweetness of the her juices commingled with the strawberries and cream.

I took my time tonguing her pussy clean, sucking the succulent slivers of fruit from her inner pinkness, my lips and tongue stimulating her again and again in the process, until I felt her pussy quiver and spasm as she came her hips grinding against my face as her hands held me down on top of her. By the time I came up for air my chin was soaking from her juices, and I gratefully accepted the glass of wine that she offered me.

Of course we fucked after that, and the feeling of my cock slipping into her creamy pussy meant that it wasn't long before I was plastering her insides with some cream of my own! Since then Helen and I have got up to loads more food-based fun, and I can thoroughly recommend it to your readers – although not with my Helen!

Ollie, Winchester.

> SHE MOANED WITH PLEASURE AS THE CREAM SET HER JUICES FLOWING.

HOLLY GOOD SHOW!

Dear *Mayfair*,
Can I congratulate Miss Holly Gibbons for her well-deserved triumph in your Girl of the Year vote! I was struck by her beauty the very first time she appeared in *Mayfair*, and since then she's just got better and better, blossoming as a model and as a young woman, and (I've been delighted to note) permitting us to see more and more of her flawless body! And now that she's won, we're guaranteed a new set of her in the magazine, which I'll certainly be keeping an eager eye out for!

Congratulations too to Emma Green and Jenny Laird, both of whom possess an abundance of assets that are sure to drive men crazy... and, indeed, to all the wonderful women who help to make *Mayfair* the magazine I've known and loved for more years than I'd care to remember!

Alan, Bedford.

Vote Green! Well, that's what plenty of you did in our Girl of the Year 2015 poll, because our regular lovely Emma Green bagged the runner-up position in fine style! She's certainly got a dedicated band of admirers out there, and it's not really hard to see why, is it? Her all natural charms mark her out as a classic British model, and we are, as ever, delighted to be able to show her off this issue! But has Emma herself got a message for her admirers!

"I certainly have – I hope I make them feel as horny as they've made me feel!"

R8 OF... INTEREST!

Itching to crank things up to nearly 200mph? Obscenely wealthy? Great - just step this way!

Just in time for the summer, Audi is launching a convertible version of its R8 supercar, the R8 Spyder. They're billing the Spyder as shorter, wider and tighter and it's launch opens another chapter in the Audi R8 success story dating back to 2007 with the market introduction of the first-generation Coupé, followed by the Spyder in 2010. The R8 demonstrates the high-tech expertise of Audi and the brand's affinity with motorsport with the new generation of the Audi R8 borrowing heavily from the Audi R8 Le Mans car, which recently won the Rolex 24 at Daytona. In fact, nearly 50 percent of all the parts used on the R8 LMS can be found in this road monster.

The dynamic character of the new Audi R8 Spyder V10 is immediately apparent at first glance. The forward position of the passenger compartment, the highly accentuated wheel arches housing 19 inch rims and the long back define the classic silhouette of a mid-engine sports car. The new R8 Spyder is 14 millimetres shorter than the previous model and measures an overall 4,426 millimetres in length. It has also grown by 36 millimetres in width to 1,940 millimetres. The horizontal lines at the front and rear help to emphasize the width of the car, as does the large, low-height Audi Singleframe with its radiator grille in honeycomb structure which connects to the wedge-shape headlights.

The new Audi R8 Spyder V10 impressively demonstrates the dynamic potential of lightweight automotive construction with a dry weight of 1,612 kilograms. The key to this outstanding figure is the new Audi Space Frame that uses the multi-material construction principle. As in the R8 Coupé, it combines aluminium components with structurally integrated carbon fibre reinforced polymer. The aluminium components make up 79.6 percent of the multi-material frame. In a progression from the Coupé version, they form a lattice that Audi's engineers have used to incorporate specific reinforcements especially into the sills, A-posts and windscreen frame. Innovative manufacturing methods lower the weight of individual components by up to ten percent. Overall, the Audi Space Frame in the new Audi R8 Spyder weighs just 208 kilograms; and amazingly its torsional rigidity has increased by 50 percent compared with the previous model. The newly developed cloth hood is superlight, weighing in at a mere 44 kilograms, further contributing to the low overall weight of the car. An electro-hydraulic drive opens and closes the soft top at the press of a button in just 20 seconds, and this can even be done while driving at speeds up to 30 mph.

With its precise throttle response, free-revving ability all the way up to 7,800 rpm and stunning sound, the ten-cylinder engine guarantees goosebumps producing a stunning 540 bhp accelerating the R8 to 62.1 mph in just 3.6 seconds. And if that wasn't impressive enough it will race from a standstill to 124.3mph in a mind-boggling time of 11.8 seconds, with the speedometer needle only stopping at 197.6mph. The snarl and roar of the V10 become more full-throated and passionate as the revs rise. The Audi drive select system, offers the driver four modes - comfort, auto, dynamic and individual. In each of these, the open-top high-performance sports car displays a different character ranging from effortless autobahn cruising to a style that savours every bend on a mountain pass. The system also draws on the accelerator characteristic, the steering, the S tronic, the exhaust flap control function and the optional adaptive damping system Audi magnetic ride. The car's handling becomes even more accomplished and precise with the optional performance leather steering wheel, which makes its debut in the R8 Spyder. It adds three more driving programs: dry, wet and snow. Because each mode has its own specific friction parameters, the driver can adapt their R8 Spyder individually to the prevailing conditions of the road being travelled.

> "THE AUDI VIRTUAL COCKPIT PRESENTS ALL INFORMATION IN RICHLY DETAILED HI-RES 3D GRAPHICS."

The operating concept of the new Audi R8 Spyder V10 focuses consistently on the driver, as in a racing car. The driver can control all-important functions while their hands remain on the steering wheel allowing them to concentrate fully on the road ahead of them. Standard features on the wheel include satellite buttons for starting and stopping the engine, and for the driving dynamics system Audi drive select. The performance leather steering wheel comes with two additional control satellites – one for the performance mode, and one for the exhaust flap control. The standard Audi virtual cockpit presents all information in richly detailed, high-resolution 3D graphics on a 12.3-inch monitor. The driver can choose between three screens – the classic view, the infotainment view and the performance view. Ambitious drivers taking to the racetrack will particularly appreciate the latter, which supplies data on torque, power output, oil and tyre temperatures, lap times and g-forces The displays around the speedometer and rev counter can be customized to individual preferences. One highlight for audio enthusiasts is the Bang & Olufsen Sound System with 13 loudspeakers, including the new head-restraint loudspeakers. There are two of these in each seat, positioned at ear level of the driver and passenger; they are notable for their excellent sound and low weight.

The Audi R8 Spyder V10 will be almost entirely hand-built at the Audi purpose-made production plant near Neckarsulm, which gives them ample scope to

"IT WILL RACE FROM A STANDSTILL TO 124.3MPH IN A MIND-BOGGLING TIME OF 11.8 SECONDS, WITH THE NEEDLE ONLY STOPPING AT 197.6MPH."

accommodate specific customer requests. For example the sport seats for driver and passenger come as standard – upholstered in exquisite diamond-pattern leather as an option, but Audi can supply bucket seats for even better lateral support if requested. Add-on body components such as the front spoiler, diffuser or the new, striking sideblades can be customized, for instance in high-gloss carbon fibre. Another element that is both a technical innovation and provides visual differentiation is the optional Audi laser lighting with anodized blue strip. An entirely new colour is available especially for the R8 Spyder, matt Argus brown along with ten other paint finishes to suit every taste.

GENTLEMEN, That Reminds Me

Want a sidesplitter or three? Well move along, there's nothing for you here, we're afraid! Email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 112 Down Street, West Molesey. KT8 2TU

"If you ask me Dad, I think it's your right to ask where mum goes on the weekends!"

A professor was giving a lecture on involuntary muscular contractions to his first year medical students. Realising that this was not the most riveting subject, he decided to lighten the mood. He pointed to a young woman in the front row and asked, "Do you know what your arsehole is doing while you're having an orgasm?"

She replied, "He's probably playing golf with his friends."

M

A wife and husband are having money issues. One day they decide to have the wife work the corner. Later that night the husband goes to pick the wife up. He asks, "How much did you make, sweetie?"

She answers, "I made £200 and 50p."

The husband says, "What tight bastard gave you 50p?"

She replies, "All of them."

This young fellow is about to be married, and is asking his grandfather about sex. He asks how often you should have it. His grandfather tells him, "When you first get married, you want it all the time, and maybe you'll do it several times a day. Later on, sex tapers off, and you have it once a week or so. Then as you get older, you have sex maybe once a month. When you get really old, you are lucky to have it once a year, like maybe on your anniversary."

The young fellow then asks his grandfather, "Well how about you and grandma now?"

His grandfather replies, "Oh, we just have oral sex now."

"What's oral sex?" The young fellow asks.

"Well, she goes to bed in her bedroom, and I go to bed in my bedroom. She yells, 'Screw you,' and I holler back, 'Screw you too!'"

One day a man came home from work to find his wife crying hysterically in the kitchen. "What's wrong, dearest?" asked the confused husband.

"Oh darling," sobbed the wife, "I was cleaning little Suzie's room when I found whips, handcuffs and chains under her bed, along with a very kinky magazine! What ever are we going to do?"

"Well," replied the man, "I guess a good spanking is out of the question, for starters."

M

A man dies, goes to Heaven, and sees St. Peter. There are loads of clocks surrounding him so the man asks, "What are these clocks for?"

St. Peter replies, "These are lie clocks, they tick once for every lie you tell. Here we have Mother Teresa's clock. She has never lied so the clock has not moved. Abraham Lincoln has only lied twice in his life, so it has only ticked twice."

The man then asks, "So where is Donald Trump's clock?"

St. Peter replies, "Oh, that is in Jesus' office – he's using it as a ceiling fan."

M

A gentleman is preparing to board a plane, when he hears that the Pope is on the same flight. "This is exciting," thinks the gentleman. "Perhaps I'll be able to see him in person."

Imagine his surprise when the Pope sits down in the seat next to him. Shortly after take-off, the Pope begins a crossword puzzle.

Almost immediately, the Pope turns to the gentleman and says, "Excuse me, but do you know a four letter word referring to a woman that ends in 'unt?'" Only one word leaps to mind.

"My goodness," thinks the gentleman, "I can't tell the Pope that. There must be another word." The gentleman thinks for quite a while, and then it hits him. Turning to the Pope, the gentleman says, "I think the word you're looking for is 'aunt.'"

"Of course," says the Pope. "Do you have a rubber?"

Q: Why did Adele cross the road?
A: She wanted to say, "Hello from the other side!"

Huzzah – it's another sizzling *Mayfair* newcomer! And we couldn't be more chuffed than we are to introduce the delectable charms of luscious Londoner Jada Cameo, who's built up rather a fanbase with her TV appearances and who's now decided that *Mayfair* readers deserve a shufty as well. And while she looks damn fine on the telly and the web, we can't help thinking that she really comes into her own in crystal clear print!

Scene from MAYFAIR

A whopping great epic from one of the masters of Italian cinema, and a brace of documentaries that chart the troubled lives of two very different female stars of the 60s and 70s...

NOVECENTO

Editor's PICK

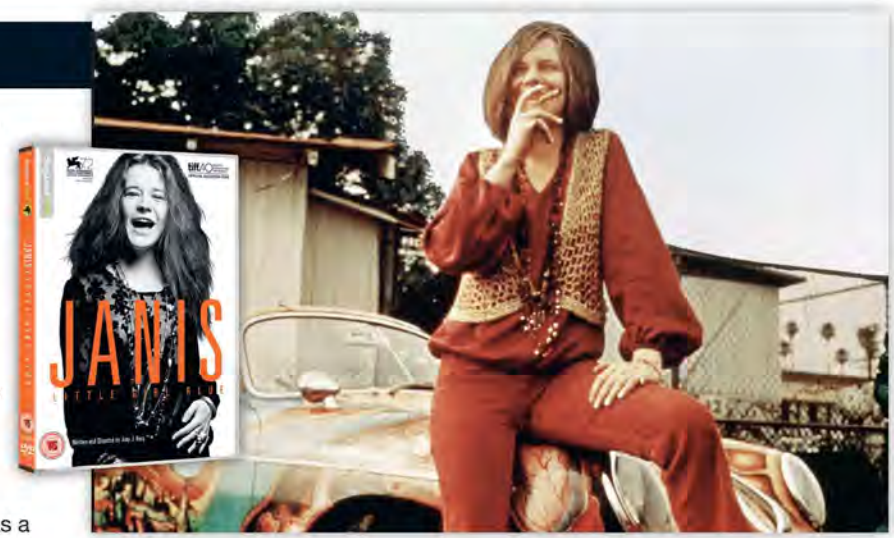
Here's a biggie that film buffs will be delighted to see getting a pristine remastering for release on Blu-ray at long last – and when we say big, we also mean long, because this 1976 offering from the great Bernardo Bertolucci clocks in at comfortably over 5 hours! Yep, you might want an intermission or two if you're going to sit through it in one go, but if you do take the plunge you'll be rewarded with one of the most ambitious and epic works of cinema to come out of Italy – or, indeed, anywhere.

The title (*1900*, in English), alludes to the year of birth for the two main protagonists – illegitimate peasant Gerard Depardieu and well-to-do Robert De Niro – and follows their struggles through the first half of the century; a rather lively half century that takes in two world wars and the rise and fall of fascism. Truly massive filmmaking from Bertolucci, and it's never looked sprucer!

RESPECTABLE: THE MARY MILLINGTON STORY

The first of two films about hugely famous female performers (admittedly in rather different fields!). Mary Millington will need no introduction to readers of top shelf magazines of a certain age, having been the biggest name in UK porn in the 70s, thanks to her association with porn baron (and now footie magnate!) The partnership of Millington and Sullivan propelled her to near superstardom, with films and mags like Whitehouse raking in a fortune for the self-cofessed 'Simon Cowell of the sex industry.' Sadly Mary had her demons as well, and was convinced (not without reason) that there were forces out to get her, and she never made it into the 80s, dying aged just 33 in 1979. To win one of 3 copies, just tell us which football club is co-owned by David Sullivan, and send it to the usual address or email mayfair@paulraymond.com by June 24th.

JANIS: LITTLE GIRL BLUE



Alongside Hendrix and Jim Morrison, electrifying blues singer Janis Joplin made up the trinity of deaths that marked the end of the 1960s, and while the other two have been lionised and in films and documentaries repeatedly, Joplin seems to have rather fallen through the cracks – something which has now been put right thanks to this documentary from Amy J. Berg. What really hits you is that, despite coming from a more or less supportive and loving family (the excerpts from letters are touching and clearly affectionate), Joplin had a thoroughly miserable time of things, thanks in large part to bullying when younger and a series of unsatisfactory relationships. Tragically, her drug-induced death came just on the cusp of things possibly picking up for her, but while it's a sad tale, the performances captured here stand as a testament to a truly remarkable performer and woman.

The office is often a-buzz with lively debate about what constitutes the greatest arse in the business, and while there are plenty of us who maintain it's probably the Ed *(Hey! – Ed.)*, most of the serious money's on Jenny Laird's magnificently rounded rump! No wonder she bagged so many votes in our poll – and as a special reward here are some splendid new pics of it – along with the rest of her – to show you just what we mean!

MAYFAIR Movies

Wondering what the hottest porno flampers in the industry have been amusing themselves with this month? Turns out it's a goodly dose of cock... again!

Digital Playground

EROTICA FM

★★★★☆

CAST: Stella Cox, Anissa Kate, Jasmine James, Cathy Heaven, Subil Arch, Tamara Grace.

Rather oddly, given what a non-visual medium it is, the wireless seems to have inspired a good few bongo flicks over the last couple of years or so. Maybe it's because so much is left to the imagination *(surely those strumpets on The Archers aren't just pretending to have it off! – Ed.)*, but in any event Digital Playground have jumped on board the FM bandwagon with this effort, which sees our very own Stella Cox as a late-night DJ who gets her knickers in a right twist listening to her callers' sordid tales.

OK, so the plots's a bit on the flimsy side, but more than compensating for that is the fact there are plenty of British flampers on display here – Tamara Grace coming in first, making it up to her boss with a frenzied seeing-to over his desk.

With Cathy Heaven and Anissa Kate keeping things ticking things along nicely, Jasmine James and Stella herself see us out in style, Stella taking a tremendous DP along the way. Talk about radio gaga!

★★★★★

Wicked Pictures

SEXBOTS

CAST: Asa Akira, Jessica Drake, Stormy Daniels.

Imagine, if you will, a near future in which lonely tuggers are able – no doubt with the help of a considerable amount of moolah – to purchase realistic sex cyborgs who are more than willing to offer up their every aperture to your johnson for your personal inspection. It can't be far off, given that technological capabilities seem to be doubling every couple of years or so. And if (we're now assuming it's come to pass) this does all pan out, can you think of anyone hornier than Asa Akira to model your horny sexbot on? No, me neither, so this flick from Wicket was of particular interest to me, given that it stars aforesaid Miss Akira as a sexbot who, well, can't get enough!

First off she hooks up with her inventor who, no doubt delighted to be able to plunder all her holes, drops dead of delight, but then she takes on a clutch of his minions and fucks them to death as well. Finally she finds a couple of equally horny sexbots for a lesbo threesome before unleashing her unbridled passion on the world!

Harmony

MEDICAL WHORES

CAST: Ash Hollywood, Athina, Kira Queen, Milana, Taissia.

Poor old George Uhl! In the lengthy porn career he's got under his belt he must have knobbed hundreds of eager flampers, but it's clearly all proven too much for him, because now what he's got under his belt is a pecker that doesn't work any more. The poor sod's fucked himself impotent – no wonder he's looking so glum! Thankfully, though, he's stumbled upon a clinic run by the delicious knob-jockey Ash Hollywood, who reckons all she needs to do to fix Uhl's complaint is put on a lezzie show with her chum Athina. It seems a bit rudimentary to me, in this age of viagra and all sorts of treatments, but do you know what – it actually does the trick a treat, and George is soon up and at 'em like he'd never been away! To be honest, I'm thinking if feigning impotence myself and popping along there, because a dose of the same medicine would surely do me the power of good.

★★★★☆

The unconvincing medical theme continues throughout, with both Kira and Milana spectacularly failing to comply with the most basic of professional ethical standards, before covergirl Taissia really lets the side down for medical staff by allowing a couple of cocks to penetrate her comely holes. No wonder Jeremy Hunt's got it in for the hospitals if this is the sort of thing they get up to!

CHRISTEN

Age: 20 **Vital Stats:** 34B-25-36 5'7"
Photographer: Dazglam

Saucy young Christen drew many an admiring comment when she made her *Mayfair* debut back in issue 51.01, so one way or another it was a bit of a no brainer to get her back again, not least so we could spend a bit more time on the company of such an innocent-faced yet dirty-minded beauty! Jaded as we might be in the office, there really is nothing like the sight of a girl of this calibre kneeling down and peering back over her shoulder at you as she prises open the petals of her perfect pink pussy!

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

Last year, my best friend and I finally set up a business that we'd been talking about for at least a decade and found that our little craft shop became a moderate success quite quickly.

Both single and horny, I have to admit Beth and I are always on the lookout for potential hook-ups so when Jeremy, a sales rep for a possible new supplier, appeared in the shop one day, I wasn't about to let him slip through my fingers!

Tall, with mousey blonde hair, he was in his 40s and, although not classically handsome, had a certain way about him that I found extremely attractive. With Beth at the cash and carry for the afternoon, I knew there was no chance of her butting in and, noticing there was no wedding ring on Jeremy's finger, I took advantage, flirting outrageously with him.

He responded in like and, as we flicked through the craft catalogues had brought, he became more and more tactile. Every time his hand touched mine, no matter how fleeting the contact, I felt a little flutter in the pit of my stomach. And as Jeremy talked me through his samples, our eyes locked and I knew that if I wanted to pull this guy, he was mine for the taking!

When he'd finished his 'pitch', I told him that I would have to discuss it all with Beth before placing an order and that I would be in touch, holding my hand out for him to shake. Taking it, he bent forward and kissed it, completely catching me off guard and making me blush, before asking me if I'd care to go for a drink with him sometime. Giggling, I told him that would be lovely, but then we caught each other's eyes again and he leant in to kiss me on the lips.

It was such a gentlemanly peck that it stirred up an overwhelming lust in me and I grabbed him round the waist, turning the soft kiss into a ferocious snog. Jeremy pushed me back against the counter as he forced his tongue into my mouth, his hands roughly cupping my boobs through my thin T-shirt. I gasped, pulling away as I realized a customer could walk in at any time, and rushed to lock the door and pull the blind down. That done, I turned back to Jeremy, who had tugged his suit jacket off and was unbuttoning his crisp white shirt, to reveal a taut, muscular physique, which I didn't expect.

Boldly, I took his face in my hands and kissed him again passionately, running my hands down his torso until I reached the bulge in his trousers and groped his tentpole. Pulling my top off over my head, he massaged my breasts, first burying his face between my cleavage before pulling my bra cups down and sucking my nipples, causing me to yelp in spite of myself.

Name: JEN
Age: 24
From: PRESTON

Pushing him back against the counter, I dropped to my knees and unzipped his trousers, enjoying the way his meaty cock fell out as I tugged them down to Jeremy's toned buttocks. Taking him into my mouth, I felt his whole body tense, and it wasn't until I had sucked him all the way in that he relaxed again. I grabbed his bum and encouraged him to fuck my mouth, which he did, groaning softly all the while.

Then he suddenly pulled away and stood up, backing me up against the counter and perching me on the edge. Pushing my skirt up and my knickers to one side, he bent down and kissed his way up my bare thighs, until he reached his goal. I jumped as his lips made contact with my fanny lips, softly kissing me before parting my labia expertly with his tongue. My clit throbbed as he sucked and licked me, taking my little nub into his mouth before running his tongue along my slit.

Using one hand to pull my flaps apart, he used the other to play with my clit as he fucked my hole with his tongue. This guy was seriously talented! I was aware that I was breathing heavily and letting out the occasional mewl as the pleasure intensified. I was just getting close to coming when Jeremy stood, just like that. I was almost disappointed until I saw his meaty cock, on a level with my pussy, straining to get inside. Shit, I wanted him! He was butting up against my slit and, much as I was tempted to reach down and give him a hand, all I did was wiggle my hips, heightening the anticipation as he pried for an entry.

> MY CLIT THROBBED AS HE SUCKED AND LICKED ME, TAKING MY LITTLE NUB INTO HIS MOUTH

When he found my hole, his dick sank easily inside me, slowly and deliciously. He ground down to the hilt, then started thrusting. I hooked my legs around his back and took it all, literally every fucking inch of his schlong, until I started to climax. I yelped that I was going to come so he started banging in hard, pounding into me like a jackhammer until waves of ecstasy washed over me and he was filling me with a load of spunk.

After he'd come he stayed inside me a bit longer, sucking gently on my nipples, teasing out a few more orgasmic jolts and making me gasp with each. I clung on to him, my legs still wrapped around his waist, occasionally squeezing my vaginal muscles and relishing the shudder of pleasure that went through him every time.

After a time, he finally pulled out and I stood up, legs shaking and jism leaking down my inner thighs as I located my top and tidied myself up. Jeremy looked so horny, his hair tousled and a flushed, just-been-fucked look about him – so much so, I could quite happily have jumped on him again!

Instead, we agreed to keep our liaison quiet and said goodbye with a soft kiss. I didn't think I'd see Jeremy again until his company sent him over again, but an hour later he called the shop to ask me out on a date! We've seen each other a few times since then – and yes, he fucked me raw on every occasion – and I have a sneaking suspicion that it might become serious between us. If he does become my boyfriend and I introduce him to Beth, she'll definitely know that I met him at the shop and she'll want details – but there's no way I'm letting on that we screwed exactly where she does her paperwork!

"I LOWERED MY HEAD TOWARDS HER SOFT BREASTS, KISSING THE SKIN AND EVENTUALLY REACHING HER STIFF NIPPLES."

My best friend Helena and I have often discussed dabbling with girl-on-girl sex but I never actually thought it would happen. We've always been very sexual people and have never made a secret of the fact we'd really like to try going down on another woman – something neither of us had up until then. We would get quite horny when the conversation came around to lesbian sex whenever we'd had a few drinks, but until a few weeks ago I imagined it would just remain a fantasy. How wrong I was!

When my boyfriend announced he was going away for a stag party I jumped at the chance to invite Helena round to our flat for a girlie night in. We hadn't seen each other for a while and had lots to catch up on. Snuggled up in our nighties under the duvet I pulled onto the sofa, we gossiped for hours over a couple of bottles of wine. We were well on the way to drunkenness when Helena started describing the wild sex she'd been having with her new bloke. Things quickly deteriorated into filth as we talked about the rude things that turn us on and other naughty things we'd like to try. It came as no surprise when the lesbian topic came up again.

Giggling over her glass of red wine, Helena said: "For God's sake Julia, we're always talking about this, why don't we just give it a go?" As usual I thought she didn't really mean it and replied jokingly, "Yeah all right then, do your worst you dirty bitch." To say I was shocked when I felt her hand rubbing against my thigh would be an understatement. My heart began to pound when I realised she was serious but I couldn't ignore the rush of excitement that shuddered through my body. I'd wanted to feel the sensation of another woman's skin against my own for so long but couldn't look Helena in the eye as she gently stroked my bare leg beneath the covers. My body went completely rigid with panic but even though my friend must have noticed this, she carried on regardless.

There had been countless times when Helena and I had touched in the past, and had even been naked together many times before but suddenly I felt very self-conscious. Desperately trying to relax, I closed my eyes and concentrated on the fantastically erotic feeling that washed over my body. My head spun with the combination of alcohol and sheer lust as Helena continued gently caressing my inside leg. Her fingers slowly wandered closer and closer towards my dampening pussy and when she reached my panties I gasped, opening my eyes in nervousness. Helena stared back at me intently and I knew there was no going back as she smiled wickedly. Her hand cupped around my pubic bone and I realised she'd be able to feel my juices oozing through the fabric of my cotton knickers. My clit began pulsating with excitement when she pressed her middle finger against my stiff button and Becky leaned closer to kiss me.

Neither of us knew exactly what we were doing but from that point on the whole thing just became instinctive. Helena gently pressed her lips against mine and slowly we began a deep kiss that made my legs weak with excitement. For a while I kept my eyes open, watching my friend's beautiful face as she explored my mouth with her tongue. At first I simply couldn't believe I was snogging my best mate. But after a few mind-blowing moments the eroticism of the situation took control. Fuelled with lust, I reached towards Helena's face and held her head as we kissed deeper and deeper. Then I allowed my hands to wander towards her heaving chest.

Her tits had always been much bigger than mine had and I was desperate to touch them and hold them in my hands. The straps of her satin nightdress slipped from her shoulders revealing her large fleshy boobs and I groped them excitedly, keen to feel them at long last. Helena moaned in delight as I moved towards her big brown nipples and began squeezing and tweaking them the way I knew she enjoyed. Helena responded by taking my own pert little tits in her own hands and for a few tantalising minutes we played around with each other's tits. Then I lowered my head towards her soft breasts, kissing the skin and eventually reaching her stiff nipples. I flicked my tongue over the ends and began gently sucking and chewing on them. This sent Helena wild and she pushed me onto my back, pulled off her nightdress and hitched up my own.

Clambering on top of my body, she started grinding her shaven fanny against my own, allowing our juices to mingle as she rode around on

top of my cunt. Her bald pussy was now soaking wet and I reached between her legs to touch it. Slowly, I slipped my middle finger between her plump lips, nudging against her clit as I found my way into her tight sticky hole. Obviously I'd had years of experience playing with my own pussy but exploring someone else's felt deliciously sluttish. I thrust my finger deep inside her tunnel and wriggled it around until I knew I'd found her g-spot.

Name: JULIA
Age: 25
From: LEEDS

Helena looked so fucking sexy as I lay on my back watching her ride on my hand, her huge tits bouncing up and down. "Lick me Julia, I want to feel your tongue on my clit…" She begged. I felt my own fanny twitching with anticipation as I took hold of my friend's buttocks and pulled her nearer to my face until she was eventually squatting over my mouth. On her knees,

Helena waited impatiently while I took one last look at her pink, juicy cunt before unleashing my tongue onto her sex.

My nostrils filled with her gorgeous musky scent as I lapped up her sticky juices and moved my tongue inside her slit. First I licked up and down her smooth labia. Then I began working on her swollen clit, building up a steady circular rhythm. I thrust a finger back inside her dripping hole and while I worked on her fanny I eased another finger inside her tight puckered arsehole. Helena had told me so many times that she adored being fucked up the arse and I knew she'd just love me to stretch her wide so I thrust another finger up her bum. This made her whimper in dirty delight and with both holes filled – not to mention my tongue grinding against her clit – she began to come quickly.

At one point I almost couldn't breathe as she rubbed her fanny against my face, smothering me in her intoxicating juices. Suddenly I knew she couldn't hold out any longer and I rammed my fingers hard up her bum as she screamed she was coming. "Fucking hell, Julia!" she shouted unashamedly, and my mouth filled with her cream as her huge orgasm eventually subsided. By this point my cunt was begging for a tonguing and never a girl to be selfish, Helena obliged as soon as she got her breath back. I was dizzy with lust and lay back as my mate prepared to go down on me.

I opened my legs wide and thrust my hairy pussy towards her face, desperate to feel her tongue in my cunt. She slowly parted my lubricated lips and rubbed the tip of her finger against my clit. I couldn't help the grateful groan that escaped from my mouth when she began working on my hole and Helena smiled. "I'm dying to taste your pussy. I'm gonna make you come like you've never come before!" She teased and I thought I'd burst at the sheer prospect of it. Then she lowered her head between my legs and pushed her tongue inside my snatch. I can't explain how fucking good it felt to have another woman licking my pussy Maybe it's because it's so taboo, but I'd never felt so horny in all my life. I reached down and pulled open my pussy lips to allow Helena better access to my sensitive clit.

At first my button was so wet that she had difficulty keeping her tongue on the right spot but after slurping away at my juices she got it just perfect. I rubbed my nipples hard for an extra kick and when Helena started chewing on my clit I lost control completely. I clamped my legs around her face and thrust my fanny against her mouth as an enormous orgasm shuddered through my entire body.

When my climax was over Helena surfaced, her face glistening with my sweet smelling juices, and we collapsed into a final deep kiss. And then we started all over again! Needless to say, we don't talk about girl-on-girl sex anymore – we just get down to it whenever we can!

> "SHE SLOWLY PARTED MY LUBRICATED LIPS AND RUBBED THE TIP OF HER FINGER AGAINST MY CLIT..."

I've been going out with my boyfriend Paul for about three years and I thought that we were really meant to be together. Everything seemed to be going so well between us… until I spent an afternoon alone with his best friend Joe. I didn't even like Joe's personality much – he always seemed very crude and a bit nasty – just his looks, and all I can think now is that it was pure animalistic instinct that drew the two of together and made me cheat.

It was about three months after Paul and I moved in together that he had to take a trip abroad on business. I was happy enough staying by myself until my internet connection went on the blink. I tried everything to get it to connect, but ended up in a mess from crawling behind the computer desk and pulling out the wrong wires. I phoned Paul to see if he could help, but I couldn't understand his instructions over the phone.

The big problem was that I needed to do some work on the computer that night. I work in sales and I needed to do some background research on the companies I would be

approaching the next day. Paul sounded frustrated on the phone and told me to chill out and he would ring his mate Joe to come round and get me back online.

Joe arrived an hour or so later, and by then I was so glad to see him that I gave him a hug. He held me a little longer than was necessary and I wondered if I had given him the wrong impression. I told him the problem, and he set to work checking out the wires. It was while he was down on his hands and knees that I found myself thinking what a cute arse he had, and when his T-shirt got pushed up as he crawled in under the desk, I got a peak at his muscular torso and I began to feel all hot and bothered.

It didn't take him long to fix it and I felt disappointed when I thought he was going to leave, so I offered him a beer and we sat together on the sofa making small talk. He was sitting really close to me and before I knew it he put his arms around me and began kissing me. I tried to pull away a bit at first, but soon stopped as my body reacted to his kiss and his touch.

He was a real operator, so sure of himself that I felt myself just go along with him. Soon I was down to just my bra and panties while he pulled his T-shirt off and wriggled from his jeans. I felt so hot for him, and just a little dirty letting him have me so easily, but I had gone this far and nothing was going to make me turn back. Especially not when I saw the size of his cock. Fuck me!

He had the largest prick I had ever seen. My eyes boggled when I saw it. Long, thick and erect, it stood out from his body ready for action and I felt my pussy getting wet just looking at it. Before I knew what was happening I found myself down on my knees on the carpet, cupping his balls in my palms and sucking his swollen cockhead while he unfastened my bra. While I sucked his big cock Joe played with my tits, making my pussy tingle and tighten as I gobbled on his cock.

He grasped a clump of my hair and began fucking my face, making me gag a little before he stopped, apologising that he had got carried away because he fancied me so much. I enjoyed the fact that he was so hot for me and had become really turned on by sucking him. We moved onto the sofa and he began licking my pussy. I just closed my eyes and let him eat me, feeling my pussy quiver and throb as he lapped away at my labia and began sucking on my clit.

It didn't take me long to come, and when he'd licked me out he moved up on top of me, and, spreading my legs wide, kissed me while he pushed his thick cock inside my wet, hot pussy. I was so excited that it slid easily inside me, making my hips buck as he filled me. Once he had mounted me fully he began fucking me rhythmically, using long hard strokes. His enthusiasm set me alight, making my pussy spasm as his cock sawed slowly in and out, sending exquisite sensations of pleasure reverberating through my whole body.

As his momentum increased my back arched and I began thrusting upward to meet his stroke. In and out he pumped, his massive cock sliding easily in and out of my wet pussy until I began to come. My climax hit me hard making my pussy throb and contract around his hard weapon. I was still coming as he pulled out and I cried out in objection, until he repositioned me on my hands and knees on the sofa.

He put his finger back inside my pussy, lubricating it with my juices before running it around my anal ring. It felt warm and pleasurable as he worked his slick digit inside my rear entrance and I have to admit I enjoyed the sensation. Then, slowly and carefully, he pushed his cockhead against my anus and entered me from behind. He slowly inched his way inside my back entrance, moving gently until I was completely relaxed.

It was so erotic that I could not help moaning as he fucked me from behind and soon we were moving together as if we were dancing. Then I felt him increasing the rhythm as he grasped my hips and began to ride me with deliberation. Harder and faster he went, increasing my pleasure as he increased his own. Then he paused, just for a moment, before blasting wave after wave of his come deep inside me.

That was just over a month ago now, and neither of us have said anything to Paul, of course – and while I don't think I would ever consider leaving him for Joe, the next time he's away I'm pretty sure I'll be getting Joe round again for another ride on that magnificent cock of his.

Connie from the Camera Shop

PHOTOGRAPHED BY BASIL CRAWFORD-SMITH

Camera shy is certainly not a way to describe pretty, young Connie Westwood, the cutie from behind the counter in a large photographic store. For when one of *Mayfair's* top photographers went in to buy his regular two dozen boxes of Kodachrome, and spotted Connie, he was delighted when she agreed to pose for him. 'I've always wanted to be on the other side of the lens,' she told us, 'I see so many girls posing for pictures, and I've always been convinced that I could do better.' So we let her have a go, and reckon that she was probably right. And as for the location, well, that was Connie's

idea as well. 'They had to be taken in a photographic shop, didn't they? Mind you, I have to be honest, this isn't the one I work in. It belongs to a friend of the photographer,' she admitted, though she added that it was so similar to hers in some ways that it added an extra thrill to her assignment. Connie now lives and works in London, but the 21-year-old with the 34-23-34 figure was born and brought up in Cowes on the Isle of Wight. The family house is within half a mile of the coast, and she often goes down there for a long weekend, which will include a few drinks in the *Harbour Lights*.

MAYFAIR Classic

We have no doubt whatsoever that readers back in the day (33 years ago, to be precise) were thrilled to learn that Connie here possessed a Zenith EM with an f2 lens and a spare 135mm one for zooming! Although doesn't the f number refer to the aperture rather than the focal length? Either way, didn't she look grand with those perky boobs? You don't get that sort of thing down Snappy Snaps these days!

Spending so much of her time surrounded by expensive camera equipment, Connie has, not surprisingly, become a keen photographer herself. Her own camera is a Zenith EM with an f2 lens and a spare 135mm lens for telephoto work. 'It's great for taking pictures of people when they least expect it,' she laughed. 'I once caught an old boyfriend when he was changing on the beach. I had it blown up to 12" x 10" and had put it up on my bedroom wall. All you can see is his bare bum as he bends down. I'm not the only subject to be over exposed.'

On Sale June 24th

Katie

A quick look at the calendar tells me that this issue hits the shelves the very day after the hotly disputed Brexit referendum takes place, so there's a chance that the new *Mayfair* might not make it into the news bulletins, which is a bit unfair if you ask me, given that it's going to feature such stunners as our Girl of the Year winner Holly Gibbons and boob-tastic Katie Thornton putting it all on show. I mean come on – referenda that hold the fate of the nation in their hands are all very well, but just look at those knockers!
